

Notice
of making an entry into the "Unified register of domain names, Internet web-site page links and network addresses enabling to identify the Internet web-sites containing the information prohibited for public distribution in the Russian Federation".

In accordance with No. 7 of Article 15.1. of the Federal Law dated 27.07.2006 No. 149-FZ "On Information, Information Technologies and Information Protection" we notify you that on the basis of a decision of court (Altaysky district court - Republic of Khakassia) dated 15.11.2017 No 2a-524/2017 Internet web-site page (s) link (s) <http://www.gay.ru/> was (were) included in the "Unified register of domain names, Internet web-site page links and network addresses enabling to identify the Internet web-sites containing the information prohibited for public distribution in the Russian Federation", the number of the register entry is 409535-ПИ due to the fact that this information contains data prohibited for distribution in the Russian Federation on the basis of a decision of court.

Within 24 hours after receiving this notice it is necessary to inform about it your client, the owner of the revealed Internet web-site, and to notify him of the need to remove the information prohibited for distribution in the Russian Federation immediately.

Within 24 hours after receiving from the hosting provider a notification of inclusion of the domain name and (or) the Internet web-site page link in the Register, the Internet website owner shall take measures to remove the information prohibited and (or) limit the access to the Internet web-site containing information prohibited for distribution in the Russian Federation.

In case the Internet web-site owner fails to fulfill this requirement or to act appropriately, the hosting provider is required to limit an access to this Internet web-site within 24 hours.

In case the hosting provider and (or) the Internet web-site owner fail to take these measures, the network address enabling to identify Internet web-sites containing the information prohibited for distribution in the Russian Federation will be decided to be entered into the Register and to be limited for access by operators.

The decision about entering the domain names, Internet web-site page links and network addresses enabling to identify the Internet web-sites containing the information prohibited for distribution in the Russian Federation can be appealed to a court by the owner of the Internet web-site, the hosting provider or the operator providing an access to the Internet data telecommunications network within three months from the date of taking such decision.

The information about the listing of the domain names and URLs of the web-pages is available round-the clock in the Internet on <http://eais.rkn.gov.ru/> . You can also clarify the legal basis of the domain names and URLs adding to the Unified Register via this form.

The notification about the deleting of the prohibited information should be sent to the zapret-info@rkn.gov.ru. In case of the deleting approved by Roskomnadzor, the information about the domain names and URLs of the web-pages or network addresses is being excluded from the Unified Register.

This Notice is duly signed electronically by the Federal Service for Supervision in the Sphere of Telecom, Information Technologies and Mass Communications.
